

QUARTERLY UPDATE

MAY 2024

Welcome to the May edition of the IFRIMA Quarterly Update

It's been a busy couple of months packed with exciting events and member activities. IFRIMA's annual board meeting took place at RISKWORLD in San Diego, bringing together leaders from our member organisations to discuss challenges, opportunities and next steps. You can read more about our progress below! If your association has something exciting happening in the near future don't forget to send the Secretariat an email so that you're featured in the next edition. You're also welcome to share this email with your membership databases.

Yours in risk and insurance

**IFRIMA May Board Meeting: Thoughts from IFRIMA President
Franck Baron**

"RISKWORLD 2024 served as an exceptional platform for engaging with representatives from IFRIMA members. Our board convened for highly productive discussions, laying a robust foundation for a more resilient future for IFRIMA.

As President, it brings me immense satisfaction to witness the evolution of our international risk management federation. We are expanding our capabilities to bolster the growth of local risk management communities across all continents. We are fostering an environment that encourages the exchange of best practices among members and keeps them abreast of global trends. This includes the imperative to adopt new technologies and AI, which are shaping the future of our industry." – IFRIMA President, Franck Baron

Membership Milestones

ANRA Welcomes New President, Gabriella Fraire

Gabriella Fraire, Insurance Manager at Prysmian S.p.A, has been elected as the new president of ANRA, making her the second woman to hold this position since the association's founding in 1972. Spotlight: Making Better Decisions in Risk Management

Decision Quality is Crucial in Risk Management

In this article, Risk Expert Ben Cattaneo argues that risk management can't progress until it addresses organisational decision-making. He emphasises the importance of understanding decision quality, using his FOCUS framework to help risk professionals enhance decision-making processes in their organisations.
