

Welcome to the August edition of the IFRIMA Quarterly Update

As the global risk and insurance landscape rapidly evolves, our member organisations have been staying ahead of challenges by hosting engaging events, producing insightful publications and remaining at the forefront of thought leadership. If your association has something exciting happening in the near future don't forget to send the Secretariat an email so that you're featured in the next edition. You're also welcome to share this email with your membership databases.

Yours in risk and insurance

The IFRIMA Team

Member News and Updates

RIMS Partners with ASIS and ASAE to Launch Free Risk Management Guide for Associations

RIMS has collaborated with ASIS and ASAE (the American Society of Associations Executives) to produce the first-ever risk management resource for associations. The "Associations' Guide to Risk and Crisis Management" is offered free to both members and non-members from ASAE and can be downloaded via their website

PRIMA Blog Highlights Growing Threat of Third-Party Data Breaches in Public Sector

PRIMA explores the increasing complexity of data breach risks, particularly highlighting the rise of third-party or supply-chain attacks that disproportionately affect public sector organisations. It emphasises the need for proactive measures and response plans to mitigate and recover from these growing cyber threats.

Spotlight: Critical Global Risks in the Post Pandemic Era

Exploring Heightened Global Risks and Shock Events

The World Economic Forum recently outlined four critical global risks to watch in the post-pandemic era. These include the dispersal of power in a post-superpower world, a persistent crisis of political legitimacy, a worsening global mental health crisis, and the likelihood of destabilising shock events. To learn more about these emerging risks and their potential impact, read the full analysis from the WEF.
